

### REMARKS

In the outstanding Office Action mailed on June 20, 2006 Applicants were made aware that the original filed oath/declaration was defective for failing to identify the citizenship of each inventor. Accordingly, a substitute Oath/Declaration is herein submitted in compliance with 37 CFR 1.67(a). Applicants respectfully request entry of the substitute Oath/Declaration.

Only after entry of the substitute Oath/Declaration, Applicants hereby expressly abandon this application, but not the invention, in favor of related divisional U.S. Patent Application No. 11/521,487 filed on September 15, 2006 (050229-0566). The substitute Oath/Declaration is submitted herein to maintain continuity for the above-referenced related divisional.

### CONCLUSION

Entry of the substitute Oath/Declaration and favorable consideration first, and then express abandonment of this application, in that order, are respectfully requested.

**To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made.
